Your aesthetic technology investment overview

Please find additional details on the devices in your technology investment package in the links below.

MediLUX

Researched and developed by The Global Beauty Group team, MediLUX delivers unprecedented service power and treatment scope. 5 LED wavelengths (415nm, 520nm, 590nm, 633nm, 830nm) target and address a greater number of skin concerns. Treatments can be performed with a single strategic wavelength, or layered with multiple wavelengths to intensify results and implement tailor made skin correction programs.

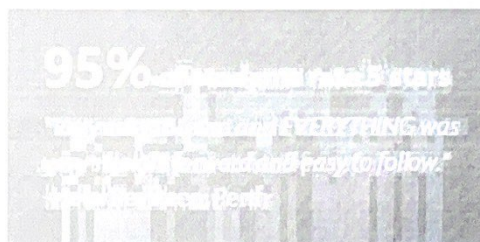

The Global Beauty Group

Why do over 4,500 beauty businesses choose The Global Beauty Group?

"They welcomed us into their family and gave us all the support that we needed to start our little business. We wanted the best devices and my account manager steered us on the right path. Our business has taken off and without the support of The Global Beauty Group we wouldn't have been able to do it".

Bryce Ellis

Clear Skin House, Sylvania, NSW
Non-Surgical Skin Rejuvenation Specialist

"My account manager talked me through the different options, even helped me work out whether it was something I could afford or not and didn't put the pressure on. He just put the options out there and left it to me. I decided to go for it and now I tell everyone how happy we are with our equipment!"

Gry Tomte

HÜD Skin + Body, St Kilda VIC
2018 ABIA National Salon of the Year

"The feedback has been phenomenal and clients are loving the device. We love the simplicity and ease of use and the care, education and attention from Global Beauty Group is second to none".

Kelly Inglis

The Skin Hub, Geelong VIC
2020 ABIA VIC/TAS/SA Salon of the Year

"Have had nothing but exceptional customer service and assistance from purchase, through to delivery, training and marketing. There is always someone available to help! Would recommend".

Elisa Corcoran

Alpine Beginnings, Jindabyne NSW
20 Years Experience in Skin Health

"The Global Beauty Group's service, knowledge & experience are exceptional. We now purchase all our technology from them and all of the Team is always very helpful. Their training is world class and also has phone support if required. It is wonderful to deal with such a professional company".

Cherie Tippet

Simply Elegant, Strathpine QLD
2019 World Luxury Spa Awards "Best Beauty Salon"

"Whether you're looking for a smaller investment in technology or a larger investment, they have something that is going to fit your business and clientele. The training was one of the key factors why I chose to go with The Global Beauty Group. No other business was offering that same level of training".

Anne Norton

Venus Day Spa, Ascot Vale VIC
Full Service Day Spa

"I can't recommend The Global Beauty Group enough, All staff have been so incredibly supportive and understanding of my position and remoteness. The clinical team listens and gives the correct advice and immediately reply's, which is vital to me being a sole trader".

Maree Weldon

Touch for Beauty Clinic, Bourke NSW
Regional Dermal Therapy Professional

"We have worked with Global for years and carefully selected them as a partner when setting up our first clinic. I can feel confident that we get the right advice, quality products, training and support and the blend of physical and digital training available is fantastic. I wouldn't hesitate to recommend Global for anyone".

Matt Perry

Face MediSkin, Bella Vista NSW
Innovative Treatment Experiences Experts
